AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT THE FIFTH DAY OF FEBRUARY, 1870.

Present: The Queen's Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honorable Lords Commissioners of the Admiralty, dated 23rd day of December, 1869, in the words following, viz:—

"Whereas We have had under consideration the subject of the Servants now allowed at the public cost to the Commanders-in-Chief of Your Majesty's Ships and Vessels at the Home Ports; their Secretaries; and the Superintendents of Your Majesty's Dockyards at Home; and whereas We are of opinion that it would be for the advantage of Your Majesty's Naval Service, and a saving of expense to the country, if a composition were granted to such Officers to enable them to provide their own Servants: We humbly beg leave to recommend that Your Majesty will be

graciously pleased, by Your Order in Council to establish the various Commuted allowances proposed in the following table:—

Station.	Rank.	Commuted Allowance
Portsmouth .. ..	Com.-in-Chief	£500 0 0
Devonport .. ..	ditto	500 0 0
Sheerness .. ..	ditto	400 0 0

Portsmouth .. ..	Sec. to Com.-in-Chf.	40 0 0

Sheerness .. ..	ditto ditto	40 0 0
Queensdown .. ..	ditto ditto	40 0 0
Portsmouth .. ..	Adm. Superintend.	200 0 0

Sheerness .. ..	Captain ditto	125 0 0
Chatham .. ..	ditto ditto	125 0 0

This change to take place from the 1st April next, except in the cases of the recently appointed Commanders-in-Chief at Devonport and Queensdown, and any other Commander-in-Chief who may be appointed before that date.

"And whereas we are further of opinion that the existing Office of Flag-Lieutenant to the Admirals Superintendent

of the Dockyards at Home is no longer required, and unnecessary expense is consequently occasioned to the public: We humbly beg leave to recommend that the Majesty will be graciously pleased, by Your Order in Council, to abolish such Office from the 1st of April or before then in case of any fresh appointments Superintendent.

"And whereas We have also had under our consideration the existing regulations on the subject of the Table allowed to the Commanders-in-Chief at Home, and the Superintendent of Your Majesty's Dockyards at Home, being humbly of opinion that it would be for the advantage of Your Majesty's Naval Service, if, when such Officers on leave, they should not altogether lose their Allowances: We beg leave to submit that Your Majesty be graciously pleased to sanction our proposal, that the 1st of October last, Commanders-in-Chief at Home Admirals Superintendent of Home Dockyards, be paid half the amount of their Table Money during short Absence when granted by the Admiralty, not to exceed 4 weeks in the year. The Lords Commissioners of Her Majesty's Treasury have signified their approval of the proposals."

### MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of rank, involves the loss of previous time of service in that rank; so also, when a sentence of a Court-Martial takes away any seniority from an Officer, it then affects his Full and Half-Pay, in cases where the same depend upon seniority; it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

At the Court at Osborne House, Isle of Wight.

The 4th day of August, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 2nd of August, 1873, in the words following, viz:—

"Whereas Officers of Your Majesty's Naval and Marine Forces who may be allowed by us to take employment under foreign and friendly Governments as Instructors or otherwise, are at present debarred by His late Majesty's Order in Council of 4th of February, 1833, from receiving their half-pay while so employed, except in the proportions, and under the circumstances, allowed in the said Order in Council. And whereas this said Order in Council of 4th of February, 1833, was framed to apply to the Naval

and Marine Forces the Regulations then in force in relation to the Land Forces.

"And whereas Officers of Your Majesty's Land Forces who may take employment under foreign Governments are now allowed the unrestricted receipt of their full-pay, we, therefore, beg leave most humbly to submit that Your Majesty will be most graciously pleased, by Your Majesty's Order in Council to direct that, from the 1st of May, 1873, if Your Majesty's Naval and Marine Forces, they be allowed the unrestricted receipt of their half-pay during the time they may be, with our consent, in the service of foreign Governments. The Lords Commissioners of Your Majesty's Treasury have expressed their approval of this proposal.

These observations are to be initiated, as having been made and worked by the Junior Officers, by the Naval Officer or Officer acting in that capacity; and they are to be made and noted, in red ink, by him. Observations are to be taken so correct results are obtained; by this means the Junior Officer will have the opportunity, by the exercise of diligence, of obtaining full marks for his sights. A Junior is to be assigned to each Officer examined, and to be on every paper he works out, together with the name of his ship; but he is never to write his name on the papers containing his observations.

No book is to be allowed during the Examination except Tables of Logarithms and the Nautical Almanac. Calculators are not permitted.)

Each Junior officer's log is to be closely written up, and is to be examined and reported upon.

Each Junior Officer is to be examined as to his proficiency in seamanship, gunnery, and steam; the questions are to be framed by length of service, and marks are to be given according to proficiency—full numbers being 1000 for seamanship, 600 for gunnery, and 400 for steam.

The examination in seamanship, gunnery, and steam is to be conducted by the Officer in Command, assisted by the Junior Lieutenant, Gunpowder Lieutenant, and Chief Gunner, or other competent Officers. The examination in Arithmetic, Mathematics, &c., is to be conducted by the Instructor, who, where necessary, is to be assisted by the Junior Officer. In those ships where no Naval Officer is borne the Officer in Command will appoint a competent or other competent Officer to conduct the examination.

At the time of the written examination two or more Junior Officers, if desirable that they should exercise as instructors, so that the examinations should be conducted by a stranger, rather than by an Officer belonging to the same Ship as the pupils.

When the Examination is concluded, the work done is to be examined on board each ship by the Naval Officer or the Officer who conducted the examination, and to be forwarded to the Captain, for the information of the Commandant, of the probable results of the examination.

The papers are then to be sent to the Flag Ship of the Squadron or Station for the information of the Commander-in-Chief, and are to be examined by the Naval Officer of that or such other Ship as the Commander-in-Chief directs, who is to issue a statement of the results of the examination, which is to be promulgated among the ships on board which the examinations were held. The papers are then to be forwarded to the "Secretariat of the Admiralty," with a list of the Index numbers, the names, the date on which each Officer was examined, the "Britannia," and the Class then obtained, together with the marks allotted in Seamanship, Gunnery, and Steam, and also a copy of the promulgation of results.

The examination, formerly held half-yearly by the Commandant, is to be revived and held in December, and the results communicated to the Commander-in-Chief in the usual form printed at page 64 of the Queen's Regulations.

In any emergency arise, such as "stress of weather," or as to interfere with the authorised days, the examination is to be held as soon after as circumstances permit, and the Commanding Officer is to report the full result of the case.

Order No. 13 C.W. of 23rd December, 1874, is to be observed.

By Command of their Lordships,  
Commanders-in-Chief, &c.

ROBERT HALL.

## CIRCULAR No. 44.—C.

Admiralty, 27th May, 1874.

## PROVISIONAL EXAMINATION OF MIDSHIPMEN, NAVIGATING MIDSHIPMEN, CLERKS, AND ASSISTANT ENGINEERS.

My Lords Commissioners of the Admiralty have had under their consideration the inconvenience arising from the system now in force at the Home Ports, under which a Midshipman can only be examined in Seamanship for the rank of Lieutenant on a fixed day in each week, whereby a loss of seniority may be incurred in the case of an Officer whose qualifying period of service expired on an intermediate date, and are pleased to direct that for the future the Clause in the Queen's Regulations (Art. 12, p. 64), which, in the case of an Officer serving abroad, permits, under certain circumstances, of his being provisionally examined, shall be considered as extending to Officers serving in ships at Home, the Captains of which are empowered, with the aid of other competent Officers, to examine provisionally any such Midshipman as shall make application on the completion of his qualifying period of Service, and to grant him a Certificate if successful.

My Lords are further pleased to direct that such extension shall also apply in the case of Midshipmen belonging to ships attached to squadrons at sea, whenever the exigencies of the Service shall render it inconvenient to examine them in the usual manner on the completion of their time.

In the event of a Midshipman succeeding in passing the usual Examination on the next ordinary passing day at the Home Ports, or, in the case of Officers serving in squadrons, on the first opportunity that may be afforded him, his Certificate is to be antedated to the date of his provisional Examination.

This rule is also to apply to Navigating Midshipmen, Clerks, and Assistant Engineers.

By command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

#### PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABOARD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience in the working of Marine engines to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of the Dockyards, and the Inspector of Machinery of the Admiralty, in the presence of the Superintendent, or of such other Officer as may be nominated for the purpose,—and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander. The Candidate must possess all the qualifications required of a Second-Class Assistant-Engineer, be fully competent to perform the various duties of a First-Class Assistant-Engineer, and to take charge of a watch in the engine-room, when the steam is up at sea.

An Officer must serve for two complete years, on full pay as First-Class Assistant-Engineer, in one or more of H.M. Ships, before he is eligible for promotion to Engineer, when he may be examined under regulations similar to those laid down for promotion to First-Class Assistant-Engineer. He must possess all the qualifications required of a First-Class Assistant-Engineer, be fully competent to perform the various duties of an Engineer, well acquainted with the principles upon which marine engines work in all their parts, able

adjust all the various working parts, and set right defects which may arise in the engines and boilers, and in every way competent to take charge of the engines in the absence of the Chief Engineer.

When a First-Class Assistant-Engineer who possesses a certificate from the Inspector of Schools presents himself for examination for promotion to Engineer, he may also pass an examination in engineering knowledge which will qualify him for Chief Engineer.

An Officer must serve for three complete years, on full pay, as Engineer in one or more of Her Majesty's Ships before he is eligible for promotion to Chief Engineer, when he may be examined touching his fitness for that rank, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose; but he cannot receive a commission as Chief Engineer until he has a certificate from the Inspector of Schools or has been granted a dispensing order from the Admiralty. He must possess all the qualifications requisite to enable him to execute efficiently the duty of Chief Engineer of any one of Her Majesty's Ships; he must be able to make notes in the register of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions, fit to work from; be able and willing to exert himself practically as a mechanic and workman when occasion requires, either in driving the engines, or packing, repairing, or adjusting the working parts of the machinery, or making good the defects of boilers; he must possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, and be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works; he must understand how to apply the Indicator, and draw the proper conclusions from the diagrams; and he must be acquainted with the principles of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by an Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." As a general rule, they will not be appointed to ships leaving Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

By Command of their Lordships, C. PAGET.

[Under Revision.]

## NAVIGATING AND PILOTAGE DUTIES OF THE FLEET.

CIRCULAR No. 18.—C.

Admiralty, 3rd October, 1876.

The entry of Navigating Cadets having ceased, my Lords Commissioners of the Admiralty are pleased to issue the following regulations for the performance of the Navigating and Pilotage duties of the Fleet, and for the carrying out of the necessary arrangements affecting the present Navigating class of officers.

1. Circular No. 49 C, of 7th August, 1873, is hereby superseded, and its provisions, so far as they are retained, are embodied in this circular.

2. Lieutenants, under four years' standing, and Sub-Lieutenants who apply to be appointed to Navigating and Pilotage duties, will, if approved by their Lordships, be accepted, and required to pass the Pilotage examination in the Hydrographic Office, Whitehall.

3. No Lieutenant will be eligible until he has completed one year's service at sea as a Lieutenant. Every Sub-Lieutenant who has elected Navigating duties will, when promoted to the rank of Lieutenant, be appointed to a sea-going ship to serve one year as a watch-keeping officer.

4. Lieutenants may, after performing Navigating duties for three years, pass for First-Class Ships; and Commanders must have passed for First-Class ships, either as Lieutenant or Commander, before they can be considered as Navigating officers.

5. Within the first five years of their service, Lieutenants accepting Navigating Appointments will be required to go through a short course of gunnery in the 'Excellent' or 'Cambridge'; and in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill quarters, and are conversant with the rifle and sword exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

6. Officers who qualify for Navigating duties will be required to perform those duties, if called on to do so, until promoted to the rank of Captain.

7. They will be required to take a share in the ordinary duties of their ships, such as Watch-keeping, acting as Divisional Officers, &c., as in the case of Gunnery Lieutenants. But this participation in the ordinary duties is not to interfere with their special Navigating duties, and is to be arranged at the discretion of the Captain.

8. If the Officer appointed for Navigating duties should be senior to the Senior Officer appointed for Executive Duties, he will, in the absence of the Captain, succeed to the command of the ship. But he is not to take upon himself the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

9. Executive Officers selected for Navigating duties will remain eligible for promotion to the highest rank in the Service; and, as Captains and Commanders, they, as well as Staff Captains and Staff-Commanders, may be appointed Masters Attendant, Assistant Masters Attendant, and Queen's Harbour Masters.

10. The pay of Executive Officers performing Navigating duties will be as follows:—

Commanders.—The full pay of their rank, and, when appointed to Flag Ships, extra pay of from . . . . .	2s. 6d. to 5s. a-day.
at the discretion of their Lordships.	
Lieutenants.—The full pay of their rank, and, if of five years' seniority and upwards, extra pay of . . . . .	3s. a-day.
Under five years' seniority, extra pay of . . . . .	2s. 6d. a-day.
If passed for First Class Ships, without regard to seniority, extra pay of . . . . .	4s. a-day.
Sub-Lieutenants.—The full pay of their rank and extra pay of . . . . .	2s. 6d. a-day.

11. All Officers now on the Lists of Staff-Captains, Staff-Commanders and Navigating Lieutenants, will continue to perform the same duties, and be eligible for the same appointments as at present.

12. Navigating Sub-Lieutenants, on being selected for promotion, will be allowed the option of being placed either on the Lieutenants' or on the Navigating Lieutenants' list; but if they elect the Executive list they will still be required to perform the same duties as other Lieutenants who are appointed for Navigating duties, if called on to do so, until promoted to the rank of Captain.

13. Officers who have been promoted from the Navigating Sub-Lieutenants' list to the Lieutenants' list, will, during the first six months of their service, be required to go through a course of Gunnery in the 'Excellent' or 'Cambridge'; and in the Quarterly Returns of Gunnery from Her Majesty's ships, it will be reported whether they are competent to drill Quarters and are conversant with the Rifle and Sword Exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

14. Acting Navigating Sub-Lieutenants will, on completing their examinations, including Pilotage, be allowed the option of being placed on the Sub-Lieutenants' list, or on the Navigating Sub-Lieutenants' list. If they elect the Executive list they will be placed at the bottom of it, and, until the time of completing the College examination, subject to the effect of any deprivation of time on account of undue delay in passing in Pilotage; and, should the time consequent on delay in passing in Pilotage, or, for any cause, make their seniority of the same date as that of a Sub-Lieutenant who has always been on the Executive list, they will be placed on the list below such a Sub-Lieutenant.

15. Acting Navigating Sub-Lieutenants, when placed on the Sub-Lieutenants' list, will be appointed to the 'Excellent' for a course of Gunnery instruction, and will be required to perform Navigating duties, if called on to do so, until promoted to the rank of Captain.

16. Officers transferred from the Navigating to the Executive list will be eligible for promotion to the highest rank in the Service; and they will come under the same rules as to promotion, pay, retirement, &c., as apply to officers who have always been on the Executive list.

17. Executive officers, and officers appointed from the Navigating to the Executive list, who perform Navigating duties, will be shown, in the 'Navy List' with their names against their names.

By Command of their Lordships,  
ROBERT BAILLIE.

# ROYAL NAVAL COLLEGE, GREENWICH.

## CIRCULAR No. 2.—C.

Admiralty, 30th January, 1873.

By Authority by Her Order in Council, dated 16th January, 1873, and sanctioned the founding of a Royal Naval College at Greenwich, my Lords have determined to open the College on the 1st of February next, at which date the Gunnery Lieutenants and the Sub-Lieutenants will commence. The arrangements for the first term of study will not be complete till the beginning of the ensuing term on the 1st October, but special measures have been made to prevent any interruption or delay in the studies of any Class of Students who are admitted to the College.

Students subject to the subjoined Regulations, will be admitted to the following ranks:—

1. Masters and Commanders.
2. Lieutenants.
3. Sub-Lieutenants.
4. Naval Lieutenants.
5. Acting Sub-Lieutenants and Acting Navigating Sub-Lieutenants.
6. Royal Marine Artillery.
7. Royal Marine Light Infantry.
8. Officers of the Engineer Branch, viz.:—  
 (a) Engineers.  
 (b) Assistant Engineers.  
 (c) Acting 2nd Class Assistant Engineers.

9. A limited number of Dockyard Apprentices will be admitted to the College.

10. Students of instruction at the College will also be open to the following:—

1. Students of Naval Architecture or Marine Engineering.
2. Students of the Mercantile Marine.
3. Students of the Royal Naval College at Greenwich.
4. Students of the Royal Naval College at Greenwich.
5. Students of the Royal Naval College at Greenwich.
6. Students of the Royal Naval College at Greenwich.
7. Students of the Royal Naval College at Greenwich.
8. Students of the Royal Naval College at Greenwich.
9. Students of the Royal Naval College at Greenwich.
10. Students of the Royal Naval College at Greenwich.

in all branches of theoretical and scientific study bearing upon their profession; but my Lords will continue the instruction given in the "Excellent" Gunnery Ship as heretofore, and arrangements for instruction in practical surveying will also be continued at Portsmouth.

My Lords desire, by the establishment of the College, to give to the executive Officers of the Navy generally, every possible advantage in respect of scientific education; but no arrangements will be made at all prejudicing the all-important practical training in the active duties of their profession.

The object of securing, in the interest of the Naval Service, the highest possible scientific instruction is, in the opinion of my Lords, most effectually to be attained by bringing together in one establishment all the necessary means for the higher education of Naval Officers and of others connected with the Navy.

The number of Students at the College will render it possible not only to carry out instruction by individual tuition, as hitherto, but to secure a staff of eminent professors, to arrange lectures and classes, and to provide chemical and physical laboratories, on a scale which has hitherto not been possible in any naval establishment.

Complete courses of study suitable for the different classes of Students admitted will be organized, and will be carried out by professors, lecturers, and instructors. Officers and others admitted as Students will have the advantage of these courses of study, whether they reside or not. But Officers and others who may not become students will, under certain regulations, have free access to separate courses of lectures, the benefit of which it is desired to extend as far as possible.

The following are the proposed courses of study.

## Subjects.

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.
2. Applied Mathematics, viz.: Kinematics, Mechanics, Optics, and the Theories of Sound, Light, Heat, Electricity, and Magnetism.
3. Applied Mechanics, including the Theory of Structures.

tures, the Principles of Mechanism, and the Theory of Machines.

4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.

5. Experimental Sciences:—

- a. Physics, viz., Sound, Heat, Light, Electricity, and Magnetism.
- b. Chemistry.
- c. Metallurgy.

6. Marine Engineering in all its branches.

7. Naval Architecture in all its branches.

8. Fortification, Military Drawing, and Naval Artillery.

9. International and Maritime Law; Law of Evidence and Naval Courts Martial.

10. Naval History and Tactics, including Naval Signals and Steam Evolutions.

11. Modern Languages.

12. Drawing.

13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organization of the College will be as follows:—

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—

- A Professor of Mathematics.
- A Professor of Physical Science.
- A Professor of Chemistry.
- A Professor of Applied Mechanics.
- A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Fortification, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

(a) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.

(b) Gunners Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich before commencing their practical course in the "Excellent" instead of, as at present, a term of seven months after they have completed it.

Officers, on applying to qualify as Gunners Lieutenants, if they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.

(c) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.

(d) All acting Second Class Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, my Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for ap-

pointments will be given to Lieutenants who thus avail themselves of the time necessarily spent on study.

Arrangements have been made for the admission of Naval Engineer Officers to the College, which will spare time spent at the College from entailing any pecuniary loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students of Dockyard Apprentices have been so framed as to provide as nearly as possible the same aggregate of their instruction as that which is now afforded at South Kensington. Further regulations will be issued by the Admiralty in regard to the admission of private students to the course of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a number of Officers of the Mercantile Marine as Students of the College, enjoying the full advantages of the course of instruction and tuition by the Educational Staff, while Officers of the Mercantile Marine, generally, will be allowed to attend courses of lectures.

The paramount object which my Lords have pursued in the organisation of the College has been to provide an efficient means for the higher education of Naval Officers, adequate to the constantly increasing requirements of Service; but my Lords also anticipate great advantage from the results likely to accrue from the connection which will be established through the College between distinguished in the various departments of mathematics, physical, and chemical science, and those practical elements which so vitally interest the navigator, the architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of their training in theoretical subjects to Naval Officers, but also a nucleus of mathematical and mechanical science specially devoted to those branches of investigation which have most interest for the Navy.

### CIRCULAR No. 47.—C.

Admiralty, 13th Jan., 1873.

### REJECTION OF ACTING SUB-LIEUTENANTS AT THE EXAMINATION IN GUNNERY ON BOARD HER MAJESTY'S SHIP "EXCELLENT."

[Circular No. 8 (C) of 30th Jan., 1873, p. 8, d. n.]

My Lords Commissioners of the Admiralty have taken into consideration the fact that, although failure to take part either of Midshipmen to pass their examination for the rank of Lieutenant, or of Acting Sub-Lieutenants to pass their final examination in Navigation at the Royal Naval College, involves a loss of seniority, in cases to a considerable extent, no such penalty is incurred in the case of rejection at the examination in Gunnery on board Her Majesty's Ship "Excellent,"—and hereby declare that for the future one month's seniority shall be granted for such rejection.

By command of their Lordships,

To all Commanders-in-Chief, &c. ROBERT HALL.

In the event of their failing so to intimate their wishes, it will be deemed that they have elected the new Regulations laid down in this scheme.

2. The new scales of full pay and allowances to apply to all Officers, unless they request, in writing, within such time as may be prescribed, to be paid according to those now in force, in which case they will continue to receive the old rates of pay and allowances during all their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be dealt with under the old Regulations, will retain their present rights, except so far as they are expressly limited by these Temporary Provisions; but in that case, it must be clearly understood that they will have none of the advantages of the new Regulations.

[By Circulars 62, of 1873, 21, of 1874, provision is made for allowing officers to chance from Old to New Regulations, if they would not, under the New Regulations, have been compulsorily retired before the date of application to exchange.]

4. Officers to whom the above option is given, and who elect to be dealt with under the new Regulations, will receive half-pay, and will be promoted and retired in accordance with them, but will retain no rights abolished by them, except so far as is expressly laid down in these Temporary Provisions.

5. Officers retired may, at their own request, and after obtaining in each case Our consent, commute their half or retired pay, under the Rules laid down by the Lord Commissioners of Her Majesty's Treasury for administering Act 32 & 33 Vict. cap. 32.

6. Admirals of the Fleet, and Admirals who commanded a ship as Captain or Commander prior to the termination of the War in 1815, to be allowed to remain on the Active List; such Admirals to be eligible for promotion to the rank of Admiral of the Fleet.

(a) To be retired at 70, if an Admiral of the Admiralty; at 68, if a Vice-Admiral or Rear-Admiral; whether or not they have hoisted their flag or have been employed at sea; provided also, that Officers of Active Flag rank, subsequently to 1866, will be subject to the new scale of retirement when promoted to the rank of Admiral.

(b) To be retired as soon as 10 years have elapsed since their flag was hoisted down, or not hoisted their flag; since their Captain ceased.

(c) When so retired, the names of those who hoisted their flags, or have been employed at sea, will, if they should be retained on the Active List, be retained until such time as they would have been retired under the Order of 24th March, 1866; but they will not rise above the rank of Admiral.

Their names to be subject to the established numbers of the List, printed in italics; and when withdrawn from the List by death or otherwise, so caused not to be filled up.

(d) Flag Officers so retired retain their Civil Pensions.

(e) It shall be lawful for Her Majesty, in distinguished service, to confer the rank of Admiral of the Fleet on any person retired under the above conditions, who shall be qualified for that rank by service according to these Regulations; and there shall not be already three Admirals of the Fleet.

At the Court at Osborne House, Isle of Wight.

The 5th day of February, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz:—

"Whereas Your Majesty, by Order in Council of 22nd February, 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also, that it is necessary to establish regulations for the retirement of Sub-Lieutenants:

We would, therefore, most humbly submit to Your Majesty—

1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

2. That until the list of Captains is reduced to one hundred and fifty, we be authorized to promote Officers to vacancies caused by retirement, according to the following scale:—

(a). One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

(b). One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

(c). One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

3. That we be further authorized, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorized to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorized by Your Majesty's aforesaid Orders in Council.

6. Captains who were promoted to that rank before the 1st April, 1870, and who elected the new regulations for retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April, 1870.

7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

9. Retired Pay to be granted as follows:—After three years' seniority, 3s. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.

10. Officers who, in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit to award them.

11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22nd February, 1870, relating to Flag Officers, Captains,

Commanders, and Lieutenants, time during which Lieutenant may be on half-pay after he has served years in that rank to reckon in the proportion fixed by Order in Council.

12. Sub-Lieutenants to be allowed, at their own and with our consent, to commute their retired pay on the rules laid down by the Lords Commissioners of Her Majesty's Treasury for administering the Act 34 Vic., cap. 56.

13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these amendments which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury.

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained. And the Right Honourable the Lords Commissioners of Her Majesty's Admiralty are to give the necessary directions accordingly.

CIRCULAR No. 10.—Q.

At the Court at Osborne House, Isle of Wight.

The 5th day of August, 1873.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board of Admiralty, from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd of August, one thousand eight hundred and seventy-five, in the words following:—

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of the 22nd of February, one thousand eight hundred and eighty-two, and of the 4th of August, one thousand eight hundred and eighty-three, in so far as they relate to the promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy, and the reductions of these lists have been thereby effected, though highly satisfactory in one point of view, yet they have resulted in a great stagnation of promotion. We are of opinion that it is expedient to provide temporarily for a more rapid flow of advancement to these ranks, and to amend the rules as regards the age at which Flag Officers, Captains, and Lieutenants may be optionally retired, and to remove further the restrictions respecting the advancement of Flag Officers on the Retired List as proposed by the said Orders in Council.

We would therefore most humbly submit to Your Majesty:—

1. That we be empowered for the present to promote annually seven Captains to Flag Rank, and to promote annually seven Flag Officers as heretofore in vacancies caused by death and retirement, and by supplying vacancies short of seven at the end of each year, a maximum number of sixty-eight Flag Officers to be exceeded:—

"Adjusting the Flag Ranks thus:—

3 Admirals of the Fleet.

10 Admirals.

20 Vice-Admirals.

35 Rear-Admirals.

—

68

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement, the number is reduced to ten, and the addition of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals on the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, the list of Flag Officers is kept up to fifty.

2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as fifteen) Commanders to the rank of Captains, this by filling every vacancy and supplementing vacancies short of twelve at the end of each year, a maximum number of one hundred and seventy Captains to be not exceeded; should there be more than twelve vacancies in any year, the excess not to be filled up in that year.

"That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, filling this by filling every vacancy, and supplementing vacancies short of twenty at the end of each year, so that a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled in that year, provided that the list is kept up to two hundred.

"That, for the present, we be authorised to sanction optional retirement of Flag Officers and Captains at the following ages, viz.:—

* Admirals and Vice-Admirals . . . . .	55
* Rear-Admirals . . . . .	50
* Captains . . . . .	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and three Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5 That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased by, and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No. 8.—C.W.  
At the Court at Osborne House, Isle of Wight,  
the 21st day of July, 1875.  
Present:

THE QUEEN'S Most Excellent Majesty in Council.  
Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July, 1875, in the words following, viz.:—

"Whereas We have had under Our consideration the Memorial of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank under Your Majesty's Orders in Council of 22nd February, 1870, and 26th August, 1873, and who, not having the required service, are not entitled to a step of rank on retirement; and whereas under the provisions of Your Majesty's

Order in Council of 5th August, 1875, Captains are allowed one step in rank, according to seniority, after retirement, irrespective of any qualifying service. We most humbly submit to Your Majesty that Commanders who have already been retired, or who may hereafter retire, without having served sufficiently long at sea to qualify them for promotion to the rank of Captain, may at our discretion, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but without any increase of Retired Pay or Widow's Pension."

Her Majesty having taken the said Memorial into consideration, was pleased by and with the advice of Her Privy Council to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

## SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

the 18th day of May, 1870.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May, 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February, 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, We would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Enquiry in connection with naval matters of importance, we are of opinion, that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-Pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies

which may be caused by Retirement, or Promotion subsequent on Retirement, until the Lists may be reduced to numbers authorized by Your Majesty's above-mentioned Order in Council; and we would beg to point out that proposals for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the General Council of 22nd of February, 1870.

"4th. As regards the promotion on Retirement of Commanders and Paymasters, whereas it is laid down in Your Majesty's Order in Council of 26th June, 1867, that Staff Commanders having served 20 years in the rank of Navigating Lieutenant and Staff Commander shall, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with rank of Retired Commander; and by Your Majesty's Order in Council of 9th July, 1864, it is laid down that Paymaster who may have completed 20 years' service, including Assistant Paymaster's time, and not more than 4 years' time as Master-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February, 1870, it has been provided that Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion we are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Captain, Retired Commander, and Paymaster-in-Chief removed from the Active List, but that such persons should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in such Promotions on Retirement be made at our discretion. We beg further to represent that so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals.

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of the Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereon accordingly.

ARTHUR BAKER

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January, 1872, in the words following, viz.:

"Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains and Naval Instructors of Your Majesty's Navy: And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to cease to serve Your Majesty at a period earlier than that laid down by the Order in Council: And whereas we are also of opinion that the services of such Officers, if of a certain duration should not be unrecognized: We do therefore most humbly submit that Clause 8, Paragraph 3, of the said Order in Council be cancelled, and that We be authorized to make the following Regulations:—

1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz.:

The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals.

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of the Privy Council, to approve of what is therein contained. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereon accordingly.

## COAST GUARD. GENERAL ORDER.—N.

Admiralty, 10th July, 1872.

The Lords Commissioners of the Admiralty having been informed that a feeling exists among certain Officers of the Coast Guard that, by the Order in Council of the 22nd February, 1870, they are entitled to the same pay as Officers of corresponding rank in the Royal Navy; the question relative to rank, pay, and pension of Officers of the Coast Guard has been referred to the Lords Commissioners of the Admiralty, who have given their decision as follows:—

That by the Coast Guard Act of 1856, Officers employed in the Coast Guard are not entitled to the same rates of pay which are or may be given to Officers of their respective ranks in the Navy.

That the Coast Guard Act of 1856 does not entitle Officers of the Coast Guard to count service in the Coast Guard towards increase of pay, &c., in the same manner as service in Her Majesty's Ships at sea. That the Navigating Officers employed in the Coast Guard are not entitled to the increased pay, &c., given by the Order in Council of the 22nd

February, 1870, to Navigating Officers in Her Majesty's Fleet.

4th. That Chief Officers of Coast Guard cruisers are not entitled to receive the minimum pay given to Navigating Lieutenants by Order in Council of the 22nd of February, 1870.

5th. That 2nd Class Chief Officers of the Coast Guard are to be considered of the rating of a distinct class from the rating of First Class Warrant Officer in the Navy, and are not entitled to the increased pay and pension given to the latter by the Order in Council of the 22nd February, 1870.

6th. That the rights of pay and pension of Officers employed in the Coast Guard may be regulated by Orders in Council.

Their Lordships are pleased to circulate this decision for general information.

By Command of their Lordships,

ROBERT HALL.

Present:

THE QUEEN'S MOST EXCELLENT MAJESTY  
IN COUNCIL.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th of October, 1870, in the words and figures following, viz:—

"Whereas we have had under our consideration certain cases in which Officers of Your Majesty's Naval and Marine Forces have been dismissed from Your Majesty's Service by Court Martial for misconduct, or have been allowed to resign their Commissions to avoid trial by Court Martial: And whereas such officers are, in some cases after good service for many years, rendered destitute by being thus

deprived of all professional resources; We do therefore most humbly submit, that we be empowered at our discretion to grant compassionate allowances from the funds to such Officers and also to those who may hereafter be removed from the list of Your Majesty's Naval and Marine Forces, provided that such allowance shall in no case exceed one-third of the amount of half-pay to which such Officer was entitled at the time of such removal: and provided also that such allowance shall not in any case exceed £100 per annum.

4. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

## PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. H.R. Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such Officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established before her death, the amount of Pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a Right:—they are granted as rewards for good and faithful service rendered by deceased Officers:—they will only be conferred on persons deserving the Public Bounty:—the ordinary Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years, or being a Chief Gunner, Boatwain, or Carpenter, or Warrant Officer, married after the age of Fifty Years; except such as were warranted prior to 30th June, 1830, or who were on the Active List of Chief or other Warrant Officers on 1st October 1875, or subsequently placed thereon in whose case the limit of age is sixty.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shown that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof; and Widows who, in consequence of second marriage, may be eligible for either a Naval or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commencing his Retired Pay, or if the Officer, after being commuted, removed his name from the List of the Navy, although the marriage may have taken place before commutation.

8. The Pensions of Widows whose private incomes after their Pensions have been awarded, surpass by the limit fixed from time to time by the Admiralty for the rank last held by their husbands shall be paid, so long as their private incomes exceed such limit, but be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commission Officers (except Chiefs) who shall have married after the 31st of December, 1830, and only entitled to the Pensions of their respective ranks at the event of their Husbands having ten complete years' seniority as Commission Officers (including service in other ranks as Commission Officers), except the Husbands killed in action, or lost his life in the exercise of Service. If, however, the Officer had five years' service, and was in good health when he married, and it be shown that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they proper.

The Widows of Warrant Officers (Gunners, Boatswains, and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time, immediately before commutation included) and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married to him prior to her Husband's service in the Navy, or her Husband shall have served One Year on Full-Pay, subsequent to their marriage, and shall have served that time to entitle him to Retired Pay.

If, however, he had completed Twenty Years' Service, a Pension may be granted, although so long as such service shall have been subsequent to their marriage, the Widow is otherwise eligible.

11. The Pensions of Widows who shall have married prior to the 31st of Dec., 1830, shall be paid to them and their receipts shall, notwithstanding their claim, be deemed a sufficient discharge for the payment of Pensions.

12. In all cases of a Widow re-marrying, after the 31st of December, 1830, her Pension shall be suspended from the date of her re-marrying; but, in the event of her becoming a Widow, her Pension may be restored, proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty; it will be again liable to suspension during her marriage.

If a Widow, in consequence of re-marrying, either before or after the 31st of December, 1830, with a Naval or Military Officer, becomes again eligible for a Pension, if her husband's name was on the List at the time of his death, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, in order to facilitate the decision upon the claims of his family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the fact, in which the marriage shall have been celebrated, an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties thereto in Scotland, in presence of a Magistrate, according to the Form given, or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Retired Pay List are only eligible for the Pension upon the rank of their husbands at the date when they last on the Active List, except in the case of Retired Pay Officers advanced to the rank of Flag Officers, who are pensioned as the Widows of Flag Officers.

16. Widows of Marine Officers.—The General Rules for the grant of Pensions to the Widows of Marine Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

[illegible]

The Wives of Marine Officers who held Brevet or Honorary rank on the Active List shall be granted the same rank applicable to that rank. The Widows of other Officers holding such rank shall only be entitled to the same rank applicable to the substantive rank of the Officer who held the Active List.

§ 106. Wives and Children. The wives and children of Officers killed in Action, under the following regulations, shall be allowed, as Her Majesty's Naval Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be deemed to be in the Queen's Service, in fight with the Enemy, in Russia, in the Crimea, or in encounters with the Rebels, in the East, or in quelling disturbances on the Continent, by mistake, or in their wounds, viz:—

## REGULATIONS FOR THE ADMISSION OF BOYS TO GREENWICH HOSPITAL SCHOOL.

Established under Order in Council of 4 February, 1875.

I. The School will consist of 1000 boys, the sons of petty officers and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy or Coast Guard, and of other seafaring persons.

II. All claims for admission to the school will be judged of by a Committee of Selection appointed by the Lords Commissioners of the Admiralty, in the following order of

precedence, special consideration being given to length of service at sea:—

1. Orphans, both parents dead.
2. Sons of fathers killed, drowned, deceased, wounded, or seriously maimed in Her Majesty's Service, or while employed by Her Majesty on board a merchant ship for in action with an enemy, pirate, or rebel.
3. Those whose fathers having served in the Royal Navy or Marines, are dead.
4. Those whose fathers are serving, and whose mothers are dead.
5. Sons of Naval and Marine Pensioners, and of seamen or marines now serving, both parents living.
6. Sons of seamen\* or marines entitled to the benefits of Greenwich Hospital, not included in the foregoing classes.
7. Sons of other seafaring persons.

**N.B.**—The sons of commissioned and other officers are not absolutely excluded, provided that the peculiar circumstances of their case render them eligible for this charity.

III. Applications for admission are to be made to the Secretary of the Admiralty (Greenwich Hospital Branch), London, when the necessary forms will be sent, which, when properly filled up, must be returned as directed, with the three following certificates:—

- (a.) A certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.
- (b.) Register of the child's birth.
- (c.) A certificate, from the clergyman of the parish to which the boy belongs, or from the minister of his denomination, or from the master of the school at which the boy has been educated, as to his character and moral conduct.

IV. The services of the father upon which the claim is founded will be ascertained at the Admiralty, and due notice will be given without further application, should the child be selected for admission into the School.

V. Boys are eligible for admission between 10 and 13 years of age; they must be physically fit for sea-service, able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic.

VI. Applications will not be received until the candidates are 16 years of age, nor after 11 years of age, except under very special circumstances.

VII. Boys will be discharged from the General Division on the first day of the month succeeding that in which they shall attain thirteen years of age, unless they volunteer, with the consent of their parents or guardians, to enter the Royal Navy as boys, in which case, if they be reported physically fit, they will be retained in the school until fifteen years of age, and then entered for continuous service in the Royal Navy.

VIII. Vacancies, occasioned by boys unwilling or unfit to serve in the Royal Navy, will be filled up by selection from the sons of seamen and marines who are thirteen years of age, fit and willing for service in the Royal Navy, and able to pass a sufficient examination in reading, writing, and arithmetic.

IX. Applications for admission of boys at the age of thirteen must be made six months previously, in the same manner as above directed, and the parents or guardians must sign an agreement before the boy is admitted, that he shall serve in the Royal Navy for a period of ten years' continuous and general service from the age of eighteen, in addition to whatever period may be necessary until he attains that age.

X. The Selected Division will consist of eighty boys, who will be entered from the General Division by competitive examination. At the age of thirteen, the boys in this division of the school will be required to enter into an agreement jointly with their parents or guardians, to enter the Royal Navy at the conclusion of their tuition, in such capacities as they may be found best qualified to fill. If they then be reported physically fit, they will be retained in the school until fifteen and a half years of age, otherwise they will be discharged.

XI. Should there not be a sufficient number of boys qualified to fill the positions of pupil teachers, writers, and ship stewards' boys in the Royal Navy, from the selected division, boys from the general division, who may volunteer, and who are able to pass the necessary examination will be appointed as may be required.

XII. The education of the boys in the general division will comprise the usual elements of a sound English educa-

tion, alternating with practical seamanship, and industrial occupations designed to prepare them for a seafaring life.

XIII. In the 'selected division' elementary mathematics and mechanics, navigation, nautical astronomy, and French will be taught.

XIV. Children of Roman Catholics or Protestants being members of the Church of England, will be required to learn the Church Catechism, and will be allowed to attend convenient places of public worship in accordance with the religious persuasions of their fathers, but application be made to that effect at the time of admission by the father, if living; and if the father be dead, at the time of the child's admission, then the marriage certificate of the parents or baptismal register of such child, according to the rights and ceremonies of any religious community of a date previous to the child's death, will be received as evidence of the religious faith of the father; that is, provided no authentic document by the deceased father be produced, expressing a wish or direction as regards the religious instruction of such child.

By Command of their Lordships,  
ROBERT BAKER

\* Including the Royal Naval Reserve.

before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any process, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts

for a graduated apportionment as to provide for captain receiving six parts, each commander of a ship commander under the captain in a rated ship three, and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or officer actually commanding, a small vessel of war parts, which We hereby direct shall be the proportion which they shall respectively share; commanders of second class, and field officers of marines (artillery or infantry) or of land forces serving as marines, doing field officers, above the rank of major, to share as captains, and field officers of marines (artillery or light infantry) of land forces serving as marines, and doing duty as rank of major, to share as commanders of ships. We further direct, that after provisions shall have been made for the flag share (if any), and for a portion of the commanding officer or officers and of above specified, the remainder of the net proceeds distributed in ten shares, so that each officer, not being composing the rest of the complements of Our ships and vessels of war, and actually on board or on duty in a prize (who it is Our will and pleasure be the only absentees entitled to share) at the time of such capture, seizure, &c., as aforesaid; and every present and assisting shall receive shares, or a share according to his class, as set forth in the following scale.

#### **(SHIPS' AGENTS.)**

#### **(Naval Agency and Distribution Act, 1864.)**

The Lords Commissioners of the Admiralty have observed that the provisions of the Naval Agency and Distribution Act, 1864 (27 and 28 Vict., cap. 24), relating to the appointment of Ships' Agents, have not in all cases been complied with; and they desire to call the attention of Naval Officers to this Act generally, and especially to Sections 4 and 5, which impose a duty on the Commanding Officers of Her Majesty's Ships.

2. Section 4 is as follows:—"Each of Her Majesty's Ships of War shall at all times while in Commission have, for the purposes of this Act, an Agent styled the Ship's Agent, to be appointed in the first instance as soon as may be after the Ship is put in Commission, and afterwards from time to time as a vacancy in the office or other occasion may require;"—and Section 5. "The Ship's Agent shall be appointed from time to time at pleasure by the Commanding Officer of the Ship for the time being, by an instrument signed and attested in the form given in the schedule to this Act."

The schedule contains the form of appointment of Ship's Agent.

(1) Name of Officer.

(2) Description and name of Ship.

(3) Name of Agent.

(4) Address of Agent.

3. As great inconvenience has occasionally arisen from the want of a properly constituted Ship's Agent in this country, my Lords desire that, upon a Ship being put in Commission, the Officer appointed to the command shall, without delay, appoint a Ship's Agent in accordance with the provisions of the above-recited Act, and shall report the name of such Agent (as also the name of any substituted Agent) to their Lordships' Secretary.

4. In the event of its being found necessary to institute proceedings against any Vessel or property, the Commanding Officer will take care that all costs and expenses in-

curring in such proceedings are paid either by himself, or by arrangement with the Ship's Agent. He will also forward to the Ship's Agent all the necessary documents to enable him to claim the bounties or proceeds. *Admiralty, 7th November, 1874.*

**(COSTS OF PROSECUTION IN SLAVE CAPTURES, OR UNDER THE KIDNAPPING ACT, 1872.)**

The attention of my Lords Commissioners of the Admiralty having been called to the inadequacy of the provision made to meet the expenses incurred by Commanding Officers of Her Majesty's Ships in conducting prosecutions under the Kidnapping Act, 1872, their Lordships are pleased to direct that Circular No. 2, of 6th January, 1874 (Costs of Prosecution in Slave Captures), shall be cancelled, and that the following Regulations shall be substituted for those contained therein.

"1. In case any proceedings shall have been instituted in any Court of Vice-Admiralty or Mixed Commission by, or on behalf of any of Her Majesty's Ships in respect of any of the matters enumerated in the 12th Section of the Naval

Agency and Distribution Act, 1864, and the Commanding Officer of such Ship shall be unable himself to pay the legal expenses attending the prosecution, or to meet the bill for the amount on the Ship's Agent, he will be at liberty to demand from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance which must not exceed 100*l.*, is to be debited by the Paymaster on the Ship's Ledger against the pay of such Commanding Officer, who can reimburse himself by drawing on the Ship's Agent for the amount when opportunity shall occur.

"2. In case any proceedings shall have been instituted by or on behalf of, any of Her Majesty's Ships in respect of matters under the Kidnapping Act, 1872, the Commanding Officer will be at liberty to obtain from the Paymaster of his Ship an advance of public money for the purpose. The amount of such advance, which must not exceed 50*l.*, is to be charged as an Imprest against such Commanding Officer until the Treasury (should they so decide) shall repay the same under the 19th Clause of the said Act.

"3. It is desirable that the approval of the Commander-in-Chief or Senior Officer on the Station should be obtained before such application of public money; but should a delay necessary to obtain such approval be in any way convenient, the advance may be made on the sole authority of the Commanding Officer of the Ship, the case being afterwards reported to the Commander-in-Chief or Senior Officer."

VERNON LUSHINGTON.

And with reference to the Circular Order of 6th June 1825, granting an allowance for Treasure deposited on Her Majesty's Ships for Custody only, as if such were a conveyance from one place to another of the same station, my Lords direct that the Regulations of that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Parties only.

No person is to be admitted into Her Majesty Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and 10 man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

3. Salutes to the Lord Lieutenant of Ireland and to the Viceroy of India are not returned.

4. When the Flag of the Lord High Admiral or the Lords Commissioners of the Admiralty is saluted by a Foreign Ship of War on her arrival or on meeting, such salute shall be returned Gun for Gun.

5. The foregoing rules will also, as far as applicable, be observed in India. They are to come into general operation on and after 1st July, 1877.

By Command of their Lordships,

To all Commanders-in-Chief, &c. ROBERT HALL.

ment Certificates of such men as have, during the year or up to the date of discharge, shown themselves eligible for the character under the following regulations; and in such cases it will supersede the use of the words "very good."

(d). A notation of "Exemplary" character having been awarded is to be made at the same time against the names of such men in the Service and Conduct Book.

(e). In awarding this character Commanding Officers are to be careful to use their discretion; and are not to consider that they are bound to give the character merely because a man has kept clear of the Defaulter's Book, escaped punishment, and fulfils the letter of the conditions which render him eligible for the character. A man's conduct must be specially excellent to deserve the character of "Exemplary."

(f). The character of "Exemplary" is not, under any circumstances, to be given for any year in which a man has been in the Second Class for Conduct, or has been disgraced for misconduct, or has been imprisoned, by the Civil Power or otherwise, or confined in cells, or deprived of a Badge, or Good Conduct Medal, or has been placed below the privileged class for leave.

(g). Ten years of continuous "Exemplary" character will entitle a man to medal, and fifteen years of continuous "Exemplary" character to gratuity, provided he has never, during the whole of his previous Service in time reckoning for Pension, deserted, or been in the Second Class for conduct, or imprisoned, by the Civil Power or otherwise, or been awarded a character inferior to "Very Good," except one year of "Good," in his first 5 years of time, reckoning for Pension.

NOTE.—The character given in such portion of Boy's service as does not reckon for Pension has no effect on his claim to Medal and Gratuity; but that given in such portion of a Boy's service as does reckon for Pension, under former regulations, must not be inferior to "Good" in order to give him a claim.

A break in service caused by a man being invalided will not be considered as breaking the continuity of his "Exemplary" character, provided he rejoins as soon as the state of his health will admit.

(A). Desertion, reduction to the Second Class for Conduct, Imprisonment, by the Civil Power or otherwise, or the award of "Fair" character, during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in the following paragraph.

(b). In order not entirely to exclude from the honour of a Medal, a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become an exemplary character, the Lords Commissioners of the Admiralty will consider (with reference to the grant of a Medal without gratuity) the case of any man who can show fifteen years of continuous "Exemplary" character, notwithstanding anything he may have done, or any character which may have been awarded to him, except "bad" or "Indifferent" in his previous service.

(c). The Lords Commissioners of the Admiralty will also consider the case of any man who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise.

(d). A man to whom a Medal has been awarded will be liable to be deprived of it summarily by Warrant under the hand of his Captain for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or, Officer in command of the Station, or of the Admiralty when the Captain may not be serving under the orders of a senior officer; the deprivation to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal to be returned to the Accountant-General of the Navy.

NOTE.—The infliction of any of the punishments mentioned in paragraph (g), after a medal has been awarded, entails forfeiture of the medal; except as provided for in the following article; but if "very good" character is given for the year in which the deprivation takes place, the medal may be restored after 10 years of continuous "exemplary" character after the year in which the medal was taken away.

(m). A man may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of Commanding Officers to take away one badge without depriving a man of his Medal.

If a Badge is taken away without loss of Medal, the Medal is not to be worn until the Badge is replaced.

If the Badge is not regained within twelve months from the date of deprivation, the Medal is absolutely forfeit and the deprivation is to take place publicly as above directed.

If two or more badges are taken away, and not one or if a man loses a second badge; his Medal is also forfeited, and the deprivation is to take place publicly as above directed.

Notations on Parchment Certificates are to be made in cases of suspension and restoration of Medal in consequence of the loss of a badge; and also in all cases of absolute forfeiture.

(n). Men who have for ten consecutive years been of the character of "Exemplary" under the conditions, are to be recommended for Medals at any period of their service after the completion of such ten years.

(o). Men who have for fifteen consecutive years been of the character of "Exemplary" under the foregoing conditions, may be recommended, on their discharge, to be for Gratuities in addition to their Medals.

The Scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as Chief and First Class Petty Officers, for not less than ten years.

First Class Petty Officers, having served as such for not less than ten years.

Second Class Petty Officers, having served as such for not less than seven years.

Leading Seamen, having served as such for not less than five years.

Able Seamen and others not excluded by paragraph (g).

(p). In cases where the man recommended may not have served the full period to entitle him to the Gratuity, he shall receive such one of the rates, with reference to his combined service in several cities, as may, in the opinion of the Admiralty, be proposed to him.

(q). Neither Medals nor Gratuities will in future be bestowed on Ordinary Seamen, Third Class Writers, Fourth Class Signalmen, Second and Third Class Domestic Stewards' Assistants, Assistant Sick Berth Attendants, or boys of every description.

(r). Lists of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the form prescribed for the purpose, by the Commanders-in-Chief, Senior Officers at Home and Abroad, and the District Officers of Coast Guard, as soon as the men become eligible for them, and when their Lordships' approval has been received, the Medals and Gratuities are to be presented to the Ship's Company, by the Captain of the Ship.

A complete history of Badges, showing the date awarded, deprivation, and restoration, must be given on copies of Certificate sent in to office.

(s). It must be distinctly understood that Medals are only granted after ten years of "Exemplary" character on the condition that the recipients continue to serve Long Service Pension, unless invalidated; and that in the event of a man who has been granted a Medal deciding to go on serving to complete such time, he shall retain his Medal on his discharge, unless he has completed 10 years of man's service, in which case he may retain it.

(t). If it is desired that men who have received Medals should also be given Gratuities, separate applications must be made for the latter on the men being recommended for Pension.

(u). In the case of a man who has joined from Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army Service, subject, however, to the rules as to consecutive years of "Very Good" or "Exemplary" character after punishment.

(v). These Regulations are to come into operation on the 1st day of July, 1876, and are to apply to all parts of the ratings herein mentioned borne on the Books of Majesty's Ships and Vessels; and in the Coast Guard at sea and on Shore; and to Royal Marines at Divisions as well Embarked.

#### Temporary Provision.

18. In the cases of men now in the Service, those who before the 1st of July, 1876, with "Very Good" character will be allowed to reckon as "Exemplary" for Medal and Gratuity, provided their conduct has been such as to render them deserving of being considered "Exemplary" under the foregoing regulations.

## SALES AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

The Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of a gratuity (not exceeding £20, in the case of Chief and

First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

It is ordained that the Military Division of the Third-class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, or of above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, or of above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action

against the enemy, in the command of a ship or our troops, or at the head of a Military Detachment having by some Active Service, under his immediate direction, contributed to the success of any war provided, nevertheless, and We do hereby declare, that no Commissariat or Medical Officer, and instead to further declare, that no Commissariat or Medical Officer shall be competent to be an ordinary member of the Military Division of the Second and Third-class of the Order, unless it shall appear to us that he has rendered services in actual war, in providing for the care of the sick or wounded Officers, Soldiers, or our Army, or of our Indian Military Forces, or of our care of the sick or wounded Officers, Soldiers, or our Army, or of our Indian Military Forces, he has deserved such distinction.

## REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign-Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Services before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's

permission for the person in whose favour it is to be accepted the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order to cause the Warrant required by Clause 1 to be signed by the Royal Sign-Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order is conferred.

7. The Warrant signifying Her Majesty's permission to accept the Foreign Order, and wear the Insignia thereof, obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a proviso providing that Her Majesty's license and permission do not authorize the assumption of any style, rank, precedence, or privilege appertaining to a Bachelor of Her Majesty's Realm.

9. When a British Subject has received the permission to accept a Foreign Order, he shall at any time be allowed to accept the Decoration of a Knight of the same Order, to which he may have been promoted by increase of rank in the Foreign Service, or in that of his own country; or any other distinction of honour strictly consequent upon the acceptance of the original Order, and common to every person who has such Order is conferred.

10. The preceding Clause shall not be taken to include Decorations of the Guelphic Order which were conferred on British Subjects by Her Majesty's predecessors, King IV. and King William IV., on whose behalf the Queen of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign, and are rendered according to the purport of Clause 1 of the present Regulations. They must be rather considered as favours bestowed on British Subjects by her Majesty, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

## PATRONS RESPECTING FOREIGN MEDALS.

Persons for permission to accept and wear Medals bearing the decoration of any Foreign Order, are to be a Foreign Sovereign on British Subjects in the Navy, for military or for naval services rendered, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may the same to Her Majesty's Principal Secretary for Foreign Affairs, for Her Majesty's sanction; upon

obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870.

CLARENDON.

## THE VICTORIA CROSS.

## ARTICLE I.

WE, taking into Our Royal consideration that it is one of the duties of Our Majesty to reward the gallant services either of Officers of the lower ranks, or of Seamen, and Marines, in Our Navy, or of Officers and Soldiers in Our Army, and the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the distinction, both in Our Navy and Army, is only given for service or meritorious conduct, rather than for action or distinction before an enemy, we do hereby excepted where a general medal is given for a particular action or campaign, or a clasp is added to the medal for some special engagement, in both cases all share equally in the boon, and those who have particularly signalled themselves distinguished from their comrades. Now, in order to attain an end so desirable as that of rewarding individual instances of merit and valour, We have created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Order of Military Decoration, which We are desirous to be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and have caused to make, ordain, and establish the following rules and ordinances for the government of the Order, which shall from henceforth be invariably observed.

1. It is ordained, that the distinction should be denominated "the Victoria Cross," and shall be a Maltese Cross of Bronze, with our Royal Coat of Arms, and underneath which an scroll, bearing the motto, "FOR VALOUR."

2. It is ordained that the Cross shall be suspended from the left breast by a blue ribbon for the Navy, and a ribbon for the Army.

3. It is ordained, that the names of those upon whom it may be pleased to confer the Decoration shall be inserted in the "London Gazette," and a registry kept in the office of Our Secretary of State for

4. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, and if he had not received such Cross, would have been entitled to it, such further act shall be recorded by a clasp to the ribbon by which the Cross is suspended, every additional act of bravery an additional Bar added.

5. It is ordained, that the Cross shall only be conferred on those Officers or men who have served Us in the face of the enemy, and shall have then performed some act of valour, or devotion to their country.

6. It is ordained, with a view to place all persons on an equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor any other circumstance or condition whatsoever, shall be a sufficient claim to the honour.

7. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the Cross has been performed, under the following circumstances:—

1. On the Fleet or Army, in which such act has been performed, under the eye and command of an Admiral or General commanding the Forces.

2. On the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General

commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

8. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

9. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

10. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order, as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

11. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

12. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

13. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

14. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross

shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have

been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under the said Warrant shall cease and determine from the date of the said Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, I shall at all times have power to restore such persons may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, the twelfth day of January, in the nineteenth year of Our Majesty, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command. PAMPHULE

## THE ALBERT MEDAL.

**WARRANT REVOKING a WARRANT** dated the 7th March, 1866, instituting a NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu thereof TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

**VICTORIA R.**

**VICTORIA**, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 20th year of Our reign, intituled "a Warrant instituting a new Decoration, to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say,—

**VICTORIA R.**

**VICTORIA**, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a garber, in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the late Prince Consort,

and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those to whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a registry book kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which if he had not received such medal, would have entitled him to such further act shall be rewarded by a bar attached to the ribbon by which the Medal is suspended, and for every additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this institution, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made on the recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or dishonourable conduct which in Our judgment disqualifies him to receive said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited, and every person to whom the said Medal is given, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, I shall at all times have power to restore such persons may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS It has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are of a character sufficiently daring and heroic to bring them under Our Warrant aforesaid cited, and are yet without some distinguishing mark of Our Royal favour. And as We, taking into Our consideration that it is expedient to reward such mariners and others who perform such actions to prevent loss of life from shipwreck and other

of the sea, are pleased in place of the Decoration and by Warrant of the 7th March, 1866, to institute a new Decoration, which we are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, obtain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A. interlaced with an anchor erect in gold, surrounded with a border in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the Prince Consort, and suspended from a dark blue band of an inch and three-eighths in width, with four white horizontal stripes.

Second.—It is ordained that the other of the two decorations shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save and except in this class it shall be entirely worked in bronze, and of gold and bronze, and suspended from a dark blue band of five-eighths of an inch in width, with two white horizontal stripes.

It is ordained that each Medal shall be suspended from a ribbon.

Third.—It is ordained, that the names of those upon whom we may be pleased to confer either of these decorations shall be published in the "London Gazette," and a copy of the same kept in the Office of the Board of Trade.

Fourth.—It is ordained, that any one who, after having received one of the Medals, again performs an act which, if it had not received such Medal, would have entitled him to a second act shall be recorded by a bar attached to the medal by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that we, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, we shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's command,

S. H. WALPOLE.

Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

### 4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz.:

	Acres.
Field Officers of 25 years' service, in the whole	600

Subalterns of 17 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1863.

#### 6. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lord's Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

#### 8. Location Ticket.

As the sole object of the Regulations is to encourage the *bona fide* settlement of naval and military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

#### 7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the

Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continually resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereof of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

#### 8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

#### 9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

#### 10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket, the Governor of the Colony is authorised to make a Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of a deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to a deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

#### 11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations, and can the amount of remission in purchase money which Officers be increased on account of any increase of which may at any time be set up upon the Crown land in the Colony.

During the last thirty years the BONUS has averaged upwards of

The Bonus can either be applied in increasing the Sum Assured, in reducing the Amount of the  
Premium, or its present value can be received in Cash.
